RECIPE

PIZZA

WITH TOMATO RELISH

PIZZA BASE

- 1 tsp white sugar
- 1 tbsp active dry yeast
- 300ml warm water
- 1 tbsp olive oil
- 1 tsp salt
- 3 1/2 cups plain flour

TOPPING

Frenchmaid Tomato Relish

- Sliced mushroom
- Olives
- Thinly sliced red capsicum
- Salami or pepperoni
- Mozzarella cheese

COOK TIME
Pizza base 1hr 45min

COOK TIME
Topping 15-20min

TO MAKE THE PIZZA BASE
Mix yeast and sugar into the warm water and let stand for 5-10 minutes until foamy.

In a large bowl mix the flour and salt. Add the yeast mixture and the olive oil and mix until the dough comes together. Knead the dough for a few minutes until all the flour has been absorbed and the dough is smooth.

Oil the large bowl and put the dough into it. Roll the dough around in the bowl to coat in oil. Cover the bowl with a towel and let rest in a warm place to rise for about 1 hour, until doubled in size.

Once the dough has risen, tip it out onto a floured surface. For a thin crust divide the dough in half, and for thick crust leave all together.

Form the dough into tight balls. Put back in the bowl and cover again, let rise for about 45 minutes.

Roll the dough balls out with a rolling pin as far as the dough will stretch. Drape the dough over your fists and gently stretch the dough further until it's the right size. Place on an oiled sheet tray or pizza pan.

NOW ADD YOUR TOPPING.
Spread each pizza with a generous layer Frenchmaid Chargrilled Antipasto Relish, top with sliced mushrooms, salami, olives, sliced red pepper, finishing with Mozzarella or a cheese of your choice. Bake at 220°C for 15-20 minutes until the crust is crisp and the cheese is browning.
